

FACULTY OF ENGINEERING

For enquiries, please contact Ms Avril Ford at aford@sun.a.za if you have particular questions.

Students who wish to return due to personal circumstances should apply by email to ssgsupport@sun.ac.za.

Level	Year	Modules Continue fully online
Undergraduate	EDP yr 1	All modules
Undergraduate	Year 1 of 4-year BEng	All modules
Undergraduate	Year 2 of 4-year BEng	All modules
Undergraduate	Year 3 of 4-year BEng	All modules (subject to note 1 below)
Undergraduate	Year 4 of 4-year BEng	All modules (subject to note 2 below)
Postgraduate	Master programmes	Please contact host dept

Note 1

Approval is awaited to replace ChemEng D356 with Environmental Eng 414 in the second semester 2020.

ChemEng D356 will require students to return to campus, but Environmental Eng 414 will be offered fully online.

Students in Machine Design B 344 who cannot participate in synchronous teamwork at home, have to return to campus.

Note 2

Students in Mechanical Design 444 who cannot participate in synchronous teamwork at home, have to return to campus.

Selected students in final year projects and in Advanced Design (Civil) 446 who require access to workshops, laboratories or exceptional software, will be required to return.

The selected students will be invited to obtain a permit to return.

Students who do not receive an invitation to obtain a permit to return by 15 July, will not be required to return.

The final year project modules are:

Final Year Project (C) 478

Project (Civil Engineering) 458

Project (E) 448

Industrial Project 498

Mechanical Project 478

Mechatronic Project 478

Mechatronic Project 488
