

# International Graduates Program

East Kalimantan, Indonesia

**Sustainable Agriculture**

PT REA KALTIM PLANTATIONS & Group

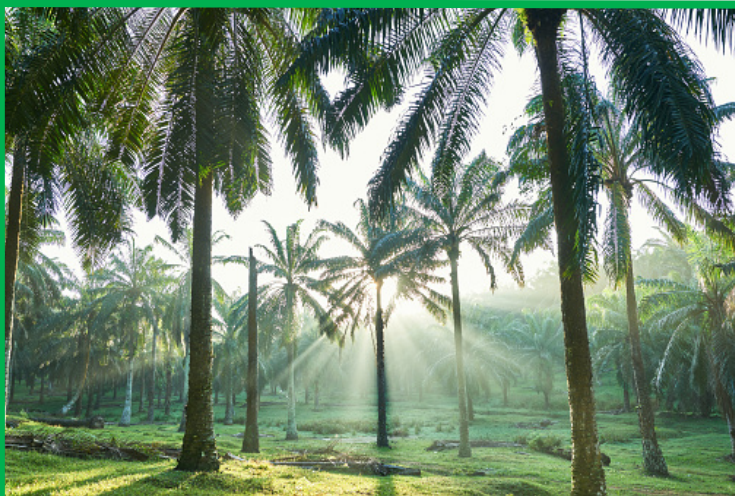

## International Career Opportunity

PT REA KALTIM PLANTATIONS (REA Kaltim) is a major oil palm plantation company operating in East Kalimantan, Indonesia. We are the principal operating subsidiary of the REA Group, a publicly listed British company. We hold 75,000 hectares of agricultural land allocation comprising approximately 40,000 hectares planted with palm oil and 20,000 hectares set aside as conservation reserve. The palm fruit is processed in our 3 palm oil processing mills. In addition, we operate 2 biogas mills to supply electricity for our estate operations and neighboring villages.

REA Kaltim is committed to implement best practices operating procedures, demonstrated through our implementation of RSPO, ISCC, ISPO and ISO 14001 certifications. Our people are a critical part of the success of business and we strive to build a multi-cultural work environment.

We are now inviting graduates who are keen to broaden their horizons through international work experience to join our team in Indonesia.

Application closing date: 10 Sep 2024

Start date: Feb 2025
