

Nagraadse Onderwysertifikaat (NOS)

Stellenbosch
UNIVERSITY
IVUNIVESITHI
UNIVERSITEIT

Education
EyezeMfundo
Opvoedkunde

Die doel van hierdie program is om opvoeders vir hoërskool onderwys te lewer.

Vereistes:

- Studente volg hierdie program na voltooiing van 'n toepaslike B-graad soos 'n BA, BSc of BComm, of na 'n toepaslike Honneursgraad.
- Om te kwalifiseer vir aansoek tot NOS moet die B-graad voorgeskrewe modules insluit op minstens tweedejaarsvlak, wat direk aan skoolvakke gekoppel kan word.
- Studente wat kwalifiseer vir twee skoolvakke as onderrigmodules in die NOS het 'n voordeel by aansoek.
- Om te kwalifiseer met slegs een skoolvak as onderrigmodule, moes u die skoolvak as hoofvak (dus op derdejaarsvlak) voltooi het in u voorgraadse studie.

WIL (Werk Geïntegreerde Leer)

Studente neem deel aan:

- Twee weke observasie (by 'n skool van jou keuse) gedurende die eerste twee weke van die skooljaar. Dit is 'n voorvereiste vir registrasie nadat u toegelaat is tot die NOS program.
- Praktiese skoolbesoek tydens die derde skoolkwartaal by spesifieke hoërskole in die Stellenbosch- en Skiereiland area.

Vir meer inligting raadpleeg ons jaarboek: <https://www.sun.ac.za/english/faculty/education/Documents/2024-Opvoedkunde.pdf>

Vir navrae, kontak Dr Erna Lampen: ernalampen@sun.ac.za

- Aansoeke sluit 30 September.
- Twee weke observasie aan die begin van die skooljaar word vereis voordat jy kan registreer.

Postgraduate Certificate in Education (PGCE)

Education
EyezeMfundo
Opvoedkunde

The aim of this programme is to provide educators for high school teaching.

Requirements:

- Students follow this programme after completing an appropriate Bachelor's degree such as BA, BSc or BComm, or after completing an appropriate Honours degree.
- To qualify for PGCE application the B degree must include prescribed modules up to at least second year level, that are directly related to high school subjects.
- Students who qualify for two school subjects as teaching modules have an advantage at application.
- To qualify with only one school subject as education module you must have passed the subject as major on third year level in your B degree.

WIL (Work Integrated Learning)

Students partake in:

- Two weeks of observation (at a school of your choice) during the first two weeks of the school year. This is a prerequisite for registration if you have been accepted to the program.
- Practical teaching during the third school term at particular secondary schools in the Stellenbosch and Peninsula area.

For more information consult our yearbook: <https://www.sun.ac.za/english/faculty/education/Documents/2024-Education.pdf>

For enquiries, contact Dr Erna Lampen: ernalampen@sun.ac.za
