

BIOSKETCH: PROF PORTIA J JORDAN

Portia J. Jordan, is the Executive Head of Department of Nursing and Midwifery, Stellenbosch University, South Africa.

She holds a PhD in Nursing, Masters of Business Administration and specialist qualifications in: Critical Care - and Nephrology Nursing.

Her research focuses on critical care nursing, evidence-based practice and patient safety education in nursing. Nationally, she is the chairperson of FUNDISA (Forum for University Nursing Deans in South Africa), and member of the Critical Care Society, Southern Africa.

Internationally, she is a member of Tau Lamda Chapter for Sigma Teta Tua International Honor Nursing Society (STTI) and executive board member of the STTI Research and Advisory Council. Portia is also part of a global transformation forum in nursing education: a community of practice of nursing leaders and deans across seven (7) global nursing schools, who focus on evidence-based practice, patient safety initiatives, and quality of care.
