# Master of Global Surgery

A photograph of three people sitting in a meditative pose on a large green lawn. They are surrounded by trees and a building in the background. The image is partially framed by dark, abstract shapes on the left and right sides.

**Global surgery is an academic discipline that aims to improve surgical access for all persons. This is a research Masters Degree done through publication and practical research skills while working on projects to strengthen surgical health systems.**

## APPLICATION DEADLINES:

**South Africans: 30 September 2024**

**International Students: 31 August 2024**

**Email [tamlyn@sun.ac.za](mailto:tamlyn@sun.ac.za) for more information**
