## TRAVEL ARRANGEMENTS

### ARRIVING BY AIR:

Arriving at the **Cape Town International Airport**

**Cape Town International Airport** is located approximately 12 kilometres from Tygerberg. When hiring a car use the following **GPS Directions** to Tygerberg Campus.

Visitors are responsible for covering their airfares, local travel, travel insurance (*highly recommended*), **VISA** (if applicable), airport shuttles and any other incidentals.

## IMMIGRATION

It is important that participants check passport and visa requirements for South Africa in due time before departure.

### NATIONAL PASSPORT HOLDERS:

Many delegates may be subject to visa obligations. Please visit the following link for more information on the countries exempt from South African visas: <http://www.dha.gov.za/index.php/applying-for-sa-visa>

It is recommended that you apply for your visa as far **in advance** as possible before departure for South Africa. A scanned copy of your passport must be provided.

Please carry with you copies of the documents (*e.g. letters of invitation, travel confirmations*) which you enclosed with your visa application when travelling to Cape Town. This will help to make the border control procedure easier and avoid delays at the border.

## HEALTH & VACCINATION

Travelers are no longer required to show proof that you're fully vaccinated against COVID-19 or present a negative PCR test to enter South Africa.

South Africa requires all travellers journeying from yellow fever risk countries to show proof of yellow fever vaccination by means of a valid yellow fever certificate.

Kindly visit the following link which contains further information regarding the South Africa Yellow Fever Policy: <https://www.westerncape.gov.za/service/yellow-fever-certificates>
