

## **ANNEXURE A**

### **INTERMEDIATE TUTORIALS, TUESDAY 16:00 (Seminar Room 4056, Division of Surgery - unless otherwise indicated on weekly programme)**

- Metabolic Response to Trauma
- Shock & Resuscitation
- Surgical Nutrition
- Fluid and Electrolyte Therapy; Acid/Base Metabolism
- Blood Transfusion + Component Therapy
- Disorders of Haemostasis
- Surgical Infection & Antibiotics I
- Surgical Infection & Antibiotics II
- HIV/AIDS and Surgery
- Surgical Asepsis
- Electrical & Physical Hazards in Theatre
- Wound Healing & Wound Care
- Cardiac Arrhythmias & Cardiac Arrest
- Thoracic Trauma
- Mechanical Ventilation
- ARDS
- Fat Embolism
- Surgery & Diabetes
- Surgery & Corticosteroids
- SIRS, Sepsis & MODS I
- SIRS, Sepsis & MODS II
- Peritonitis & Intra-abdominal Sepsis
- Abdominal Compartment Syndrome
- GIT bleeding
- Cardiovascular Risk Evaluation
- DIC
- Soft Tissue Trauma/Crush Syndrome
- Vascular Trauma
- Compartment Syndrome & Reperfusion Injury
- DVT/Pulmonary Embolism
- Abdominal Trauma
- Urogenital Trauma
- The Acute Scrotum
- Oliguria/Anuria/Acute Renal Failure
- Intestinal Obstruction
- Gynaecological causes of Acute Abdomen
- Head Injury (Part 1)
- Head Injury (Part 2)
- Endocrine Crises
- Fractures & Dislocations
- Spinal Injuries
- The Hand
- Burns
- Skin grafting, Flaps and Free Flaps
- Paediatric Surgery 1
- Paediatric Surgery 2

## **ANNEXURE B**

### **SURGICAL TUTORIAL, TUESDAYS 17:00 (Seminar Room 4056, Division of Surgery - unless otherwise indicated on weekly programme)**

- Principles of surgical research, epidemiology and statistics
- Laparo-endoscopic Surgery – General Principles
- Gastro-oesophageal Reflux I
- Gastro-oesophageal Reflux II
- Oesophageal Trauma & Caustic Injury
- Oesophageal Motility Disorders & Diverticula
- Carcinoma of the Oesophagus
- Benign Gastro-duodenal disease I
- Benign Gastro-duodenal disease II
- Gastric Malignancy
- Small Bowel Disease
- Appendix
- Benign Large Bowel Disease I
- Benign Large Bowel Disease II
- Constipation & Incontinence
- Malignant Large Bowel Disease I
- Malignant Large Bowel Disease II
- Peri-anal Pathology
- Abdominal Wall Herniae
- Diaphragmatic Hernia
- Abdominal Trauma I
- Abdominal Trauma II
- GIT Bleeding
- The Acute Abdomen/Intra-abdominal Sepsis
- Intestinal Obstruction
- Surgical Anatomy of the Liver & Principles of Hepatic Resection
- Focal Liver Lesions
- Portal Hypertension
- Biliary Tract I
- Biliary Tract II
- Biliary Tract III
- Biliary Atresia & Choledochal Cyst
- Surgical Anatomy of the Pancreas & Principles of Pancreatic Resection
- Acute Pancreatitis
- Chronic Pancreatitis
- Pancreatic Tumours
- Surgery of the Spleen
- Adrenal Surgery
- Paediatric Intra-abdominal Tumours
- General Principles in Vascular Surgery
- Acute Limb Ischaemia
- Chronic Lower Limb Ischaemia I
- Chronic Lower Limb Ischaemia II
- Amputation
- Aortic Aneurysm

- Peripheral Aneurysms
- Upper Limb Vascular Conditions
- Cerebrovascular Disease
- Venous Disease
- Cutaneous Malignancy/Malignant Melanoma
- Soft Tissue Sarcomas & Infections
- Benign Breast Disease
- Breast Cancer I
- Breast Cancer II
- Breast Cancer III
- Benign Thyroid Disease I
- Benign Thyroid Disease II
- Thyroid Cancer
- Parathyroid Disease
- Salivary Glands
- Oral Cavity
- Neck dissection
- Axillary dissection
- Inguinal dissection
- Popliteal fossa dissection
- Anatomy of lower limb compartments & fasciotomy

## **ANNEXURE C**

### **WEDNESDAY AFTERNOON ACADEMIC PROGRAMME**

#### **JOURNAL PRESENTERS**

**(Journal presentation falls away on the Wednesday the Surgical Anatomy Seminar followed by the Combined Surgery/Pathology Seminar are being held)**

- KJ Baatjes
- DF du Toit
- BL Warren
- JP Apffelstaedt
- CE Cooper
- AE Victor
- AE van der Merwe
- CE Fourie
- JP Mouton
- JdeV Odendaal
- J-A Lubbe
- R van der Merwe
- H Louwrens
- AvV Lambrechts
- N Ahmed
- E Georgiou
- L Taylor
- FE Maree
- HS Jehle
- A Smith
- P Zwanepoel
- T Forgan
- T Steinberg
- I Conradie
- H van Zyl
- Z Keyser
- R Dannatt
- O Oke
- H Pohl
- M Rus
- G Uanivi
- Y Loots
- S Visagie
- M du Plessis
- E (Elmarie) van der Merwe
- EA Schroeder
- CAG Smits
- S Santhia
- S Makhoba
- D Rainsford
- M Mahoko
- R van Rensburg
- A Vermeulen

## **ANNEXURE D**

### **WEDNESDAY AFTERNOON ACADEMIC PROGRAMME (One Wednesday of the month excluded)**

Rotation of responsibility for Clinical Case Presentation:-

- Surgical Gastroenterology (Monday)
- Surgical Gastroenterology (Wednesday)
- Vascular Surgery
- Head-, Neck- & Breast Surgery
- Surgical Gastroenterology (Tuesday)
- Surgical Gastroenterology (Thursday)
- Surgical Gastroenterology (Friday)
- Trauma
- ICU
- Burns Unit
- Research Review
- Social afternoon

## **ANNEXURE E**

### **WEDNESDAY AFTERNOON ACADEMIC PROGRAMME (One Wednesday of the month excluded)**

Rotation of responsibility for Academic Ward Round:-

- Surgical Gastroenterology (Monday)
- Surgical Gastroenterology (Wednesday)
- Vascular Surgery
- Head-, Neck- & Breast
- Surgical Gastroenterology (Tuesday)
- Surgical Gastroenterology (Thursday)
- Surgical Gastroenterology (Friday)
- Trauma
- ICU

**ANNEXURE F**

**COMBINED SURGERY/PATHOLOGY SEMINAR**

**(A specific Wednesday of the month, "Weber" Room, Dept. Anatomical Patology, 10th Floor, Tygerberg Hospital)**

Rotation of responsibility for presenting:-

- Surgical Gastroenterology (Monday)
- Surgical Gastroenterology (Wednesday)
- Head, Neck & Breast
- Surgical Gastroenterology (Tuesday)
- Surgical Gastroenterology (Thursday)
