The [Security Institute for Governance and Leadership in Africa](#) (SIGLA) and [the Institute for Justice & Reconciliation](#) together with Prof Thomas Mandrup, Researcher EPON Project present a hybrid webinar on 21 October 2021 from 13:30 -16:30 in the Old Manor House at the Wallenberg Conference Centre in Stellenbosch. The webinar covers the EPON project on the future of peacekeeping operations, regional security governance frameworks as well as a speaker on international intervention in Mozambique and book discussion on Jihadism, violent extremism, and terrorism in Africa. The event is live streamed and offer 25 seats for delegates who wish to join the event in person and enjoy an early lunch with the organisers and speakers, and a cheese and wine cocktail at the close as networking opportunities.

COVID19 Protocols: Please visit the STIAS website for information on COVID-19 protocols for the 25 in-person attendees.
