

3.1.8 BComHons (Logistics Management)

Please note: An application has been submitted to change the title of this programme to Bachelors of Commerce Honours in Logistics and Supply Chain Management, abbreviated as BComHons (Logistics and Supply Chain Management). This change will be implemented once the amended title has been approved by the Department of Higher Education and Training (DHET) and the Council on Higher Education (CHE), and the change has been registered by the South African Qualifications Authority (SAQA). When the new name has been approved and registered, it will appear on the study records of students already enrolled in the programme.

Admission requirements

- One of the following:
 - A BCom degree *or*
 - A bachelor's degree other than a BCom degree.
- A combined average of at least 60% for the third-year modules in Logistics and Supply Chain Management.

Selection

The number of students selected will be influenced by, among other things, staff capacity and the availability of resources within the Department, as well as academic merit and University transformation objectives. As staff capacity and resources may fluctuate from year to year, the number of students selected can also differ from year to year.

Students are selected for this programme primarily based on:

- Their average final mark achieved for their Logistics and/or Supply Chain Management major at third year level;
- Overall academic performance;
- Their research potential as displayed in an undergraduate research module;
- Their level of numeracy (satisfactory numeracy is deemed to be a first year (one semester) university course in Mathematics (pure or applied) or Statistics or Mathematics at National Senior Certificate level with a mark of 50% or higher); *and*
- Their motivation for wanting to pursue postgraduate studies in Logistics and Supply Chain Management.

If there are a large number of applicants, the Department may request applicants to submit a short curriculum vitae, letter of motivation, and research idea. These will then be used to compose a shortlist for selection interviews. The interviews will be used to rank the applicants in order of suitability, and to finalise the list of selected applicants.

Application procedure and closing date

Apply at www.sun.ac.za/pgstudies. Applications for a specific year must be received by **30 September** of the previous year. This applies to South African as well as international applications.

Duration, offering type and starting date of programme

Duration: One year, full-time.

Starting date: One week before the other classes at the University begin.

Programme's mode of delivery

Fully contact (face-to-face).

Enquiries

Programme administrator: Mr Jacquin Flandorp

Department of Logistics

Tel: 021 808 3911

E-mail: jacquin@sun.ac.za

Website: www.sun.ac.za/logistics

Enquiries will be referred to the correct contact person.

Programme leader: Mr Heinri Freiboth

Department of Logistics

Tel: 021 808 9491

E-mail: hwf@sun.ac.za

Programme structure

The programme consists of five compulsory and two elective modules. One of the compulsory modules is a research assignment.

Programme content

Programme module

You must earn a total of at least 120 credits for this programme.

Code	Module	Credits	Module Name	Semester
50407	778	120	Logistics Management	Both

Compulsory modules (90 credits)

Code	Module	Credits	Module Name	Semester
11485	722	15	Customer Service and Logistics Interface Management	2
10911	723	15	Introductory Forecasting	1
14693	771	30	Research Assignment: Logistics and Supply Chain Management	Both
13077	714	15	Supply Management (Inbound)	2
13078	714	15	Supply Management (Outbound)	1

Elective modules (at least 30 credits)

Please note: Not all of the modules listed below are necessarily offered each year. Please contact the programme leader to find out which modules will be available.

Code	Module	Credits	Module Name	Semester
11571	771	15	Capita Selecta (Logistics Management)	Both
10933	753	15	Forecasting	2
11488	722	15	Packaging Logistics Development	1
59145	744	15	Road Transport Management	1
11481	722	15	Supply Chain Forecasting and Planning	2
11483	722	15	Supply Chain Performance Management and Technology Enablement	2
11482	742	15	Supply Chain Strategy Change Management and Governance	2
14227	773	15	Visual Supply Chain Data Analysis	2
13472	741	15	Warehouse Operations Management	1

Apart from the modules listed above, you may obtain a maximum of 30 credits from a related field of study that has been approved by the programme leader. For more information, please contact the programme leader.

Postgraduate Programmes

1. General information for all postgraduate programmes

The information in this section applies to most of the postgraduate programmes and is not repeated for each programme, so please read it through carefully. Exceptions and deviations are, however, indicated at the individual programmes.

1.1 Postgraduate programmes in the Faculty

The table below lists the postgraduate programmes up to master's level by the department, school or centre where they are offered. The campus or facility is indicated in italics where necessary. All departments, schools and centres also offer a PhD programme. For more on the PhD, see the doctoral section at the end of this chapter.

1.2 Undergraduate module requirements for postgraduate programmes

In Appendix C to this Yearbook part, you will find a table showing the minimum module requirements for admission to certain postgraduate programmes. Review this table to determine whether you meet the requirements for the postgraduate programme you wish to follow.

1.3 Selection

Every postgraduate programme in the Faculty is potentially a selection programme since the capacity of the relevant department determines the number of students that can be accommodated in each programme. This means that selection happens when more candidates apply than the department can accommodate in a specific programme. There are, however, also programmes where selection always happens, regardless of how many candidates apply. Departments may choose to list specific requirements and criteria at the relevant programme entries below or on their website or in the programme brochure.

1.4 Postgraduate assessment and examination

- Assessment is determined at modular level; therefore, consult the relevant module framework for more information.
- For the Faculty postgraduate assessment rules, you can consult the Faculty website at www.sun.ac.za/ems and look under "Current students" and then "General information" to find the link "EMS Postgraduate Assessment Rules".
- For more information and the general rules on assessment, see Part 1 (General Rules) of the Yearbook, under "Assessments and Promotions".

- For the general specifications for assignments, theses, and dissertations, consult the section "Postgraduate Qualifications" in Part 1 (General Rules) of the Yearbook.
- For specific information relating to the assignment, thesis or dissertation for an individual programme, consult the programme administrator or leader or relevant programme documentation.

1.5 Pass requirements for postgraduate programmes

The pass mark for postgraduate programmes is 50% and to pass with distinction you need 75%. More detailed information on pass requirements for individual programmes is available from the relevant programme administrator or leader.

1.6 Different campuses and facilities

Some postgraduate programmes are presented by the Stellenbosch Business School or the School for Public Leadership, both of which are on the Bellville Park campus of the University. The School of Public Leadership also presents classes at the Sustainability Institute at Lynedoch. The place where a particular diploma programme will be presented, if not Stellenbosch campus, is indicated below for each individual Programme under "Programme structure".

Disclaimer:

The content above comes from the 2024 Economic and Management Sciences Yearbook. Make sure to consult the full **Economic and Management Sciences Yearbook** to see this extract in context and to check if there have been any changes. Take special note of additional information in the yearbook under section **1. General information for all postgraduate programmes.**
