 - Computer Skills in Public and Development Management.

Further requirement

You must have access to a computer and stable internet connection for online learning.

Selection

The number of students selected will be influenced by staff capacity and the availability of resources in the School, as well as academic merit and University transformation objectives. As staff capacity and resources can fluctuate from year to year, the number of students selected can also differ from year to year.

Should the number of applicants that meets the admission requirements exceed the available capacity of the School, the criteria in the admission requirements will be used to rank the applicants in order of suitability, and to finalise the list of selected applicants.

Application procedure and closing date

Contact the School of Public Leadership directly at the details under "Enquiries" below to find out about the application process and closing date.

Duration of programme and starting date

Duration: One year.

Starting date: End of January.

Programme structure

This programme is presented by means of face-to-face block sessions and interactive online sessions. The block contact sessions consist of one to two weeks of lectures in February and June and take place on the Bellville Park campus or in Tshwane. For the interactive online sessions, you may be required to gather at an electronic study centre near your place of residence. These lecture sessions happen once a term for each module and take a whole day. These lectures are presented using appropriate interactive e-learning platforms. You can interact with the lecturer during a transmission. For the remaining time, when you are not attending block or online lectures, you must do assignments and study at home.

Examinations are not all written centrally on campus, but rather in the different study centres.

Programme content

1.2 Undergraduate module requirements for postgraduate programmes

In Appendix C to this Yearbook part, you will find a table showing the minimum module requirements for admission to certain postgraduate programmes. Review this table to determine whether you meet the requirements for the postgraduate programme you wish to follow.

1.3 Selection

Every postgraduate programme in the Faculty is potentially a selection programme since the capacity of the relevant department determines the number of students that can be accommodated in each programme. This means that selection happens when more candidates apply than the department can accommodate in a specific programme. There are, however, also programmes where selection always happens, regardless of how many candidates apply. Departments may choose to list specific requirements and criteria at the relevant programme entries below or on their website or in the programme brochure.

1.4 Postgraduate assessment and examination

- Assessment is determined at modular level; therefore, consult the relevant module framework for more information.
- For the Faculty postgraduate assessment rules, you can consult the Faculty website at www.sun.ac.za/ems and look under "Current students" and then "General information" to find the link "EMS Postgraduate Assessment Rules".
- For more information and the general rules on assessment, see Part 1 (General Rules) of the Yearbook, under "Assessments and Promotions".

- For the general specifications for assignments, theses, and dissertations, consult the section "Postgraduate Qualifications" in Part 1 (General Rules) of the Yearbook.
- For specific information relating to the assignment, thesis or dissertation for an individual programme, consult the programme administrator or leader or relevant programme documentation.

1.5 Pass requirements for postgraduate programmes

The pass mark for postgraduate programmes is 50% and to pass with distinction you need 75%. More detailed information on pass requirements for individual programmes is available from the relevant programme administrator or leader.

1.6 Different campuses and facilities

Some postgraduate programmes are presented by the Stellenbosch Business School or the School for Public Leadership, both of which are on the Bellville Park campus of the University. The School of Public Leadership also presents classes at the Sustainability Institute at Lynedoch. The place where a particular diploma programme will be presented, if not Stellenbosch campus, is indicated below for each individual Programme under "Programme structure".
